

California QSO Party

2015 CQP

CQP & improving your operating skills

From an operating point of view, what do Public Service, chasing DX or working contests have in common?

They all require accurate copy of information under stress – whether the stress of the moment, the adrenaline rush of rare DX or contest pile up, you have to accurately copy and relay information.

Entering a contest either casually to give some points or as a serious effort, Contesting provides a great learning experience for information copy “under fire”.

The first weekend of October (October 3-4 this year) sees the 50th running of the California QSO Party – a great opportunity for stations in California because everyone else HAS TO WORK US!

We are the DX!

Whether you are a “big gun” with stacked yagis and 1500 watts, or a “little pistol” with 100 watts to a vertical or a wire antenna, everyone else in the world wants to work YOU to pick up one of the 58 counties in our state.

It’s a lot of fun being on the receiving end of a pile up or searching & pouncing for other states and countries.

For California stations the object of the contest is to work as many stations as possible on SSB and CW. You can work the same station on each band and each mode for score credit. Every US state and Canadian province you work counts as a multiplier – 58 total for us just like the number of counties in California.

Want to be really on the end of a pile up? Plan a “CApedition” to one of the rarer counties in California and the rest of the world will beat a path to your front end!

Low Power, High Power? CW or SSB? CQP is a fun contest for all.

CQP is sponsored by the Northern California Contest. A group of NCCC volunteers help with PR, planning county expeditions and processing all the logs to score the contest.

The last 10 years have seen a great increase in the number of logs submitted from the US, the DX world and (of course!) from California.

Last year we received just over 900 logs and with 2015 being the 50th Anniversary of CQP, we are making a big drive to get well over 1000 logs submitted.

Every station that submits a log is eligible for an achievement certificate and there are several operating categories where the leader receives a wooden CQP plaque for proud display on the shack wall. In addition, qualifying logs will also receive a commemorative Gold Rush coin. <http://www.cqp.org/goldrush.html>

Three categories are designed to encourage operation in contests:

- YL award
- Youth (< 18) award
- California New Contester

So if you've never entered a contest or have only dabbled in the past, this award category is for you!

If you work all 58 counties, you qualify for the “Worked All California Counties Award” sponsored by NCCC.

You can find the full rules and award details on the CQP web site at <http://www.cqp.org>.

Part time or full, home operator or an expedition to a new county, CQP is a blast!

We hope you will join us this year and have a lot of Fun!
CQP 50th Team
