CQP 2020:

What CW speeds can I expect in CQP?

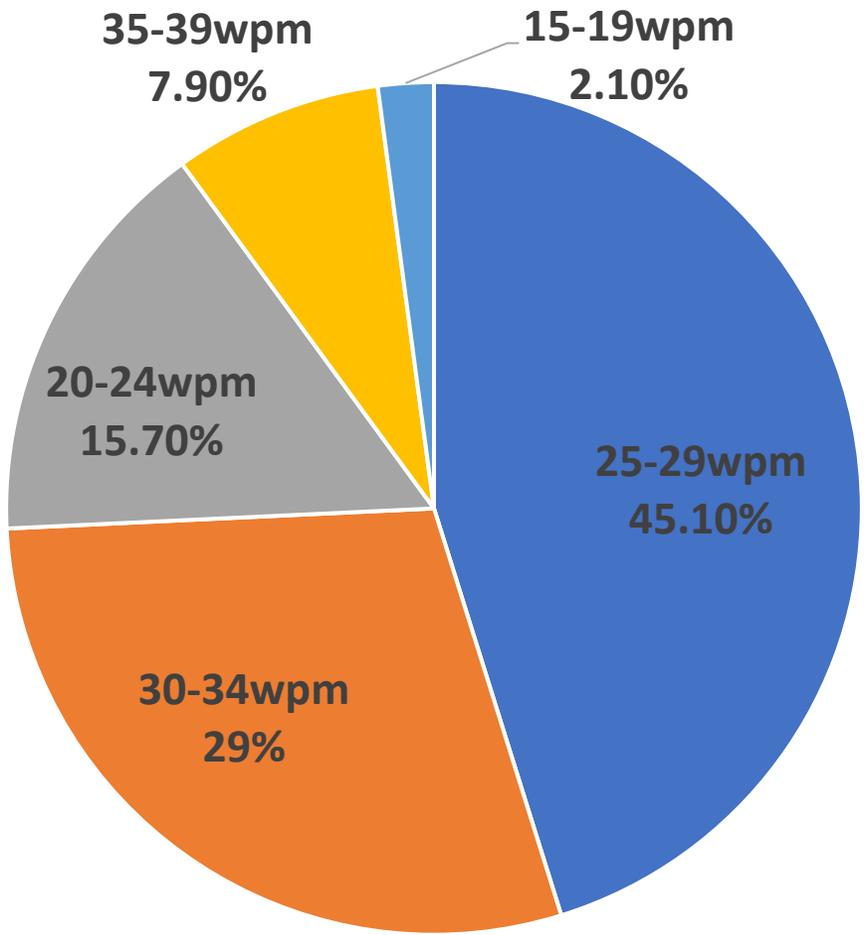

NCCC

CQP 2020: CW Speed

- CW speed is recorded for every CW spot collected on the Reverse Beacon Network. <http://www.reversebeacon.net/>
- We downloaded all spots recorded by all RBN nodes around the world during CQP 2020.
- We focused on the first 8 hours of CQP 2020.
- All spots by CA stations that called CQ in the first 8 hours of CQP 2020 are part of this analysis.
