Congratulations to the winning clubs!

The following pages contain the scoring details for every participating CA club. If you don't find your callsign or club listed, it means one of the following five possibilities:

- You were a home station and did not operate within your club's 175-mile radius circle.
- You were not listed on your club's roster or eligibility list.
- You did not state your club when you submitted your CQP 2022 log.
- You were a checklog.
- You specified NCCC (Northern California Contest Club) as your club. As the sponsoring organization of CQP, NCCC is ineligible for club competition in CQP.
