

California QSO Party

CQP 2024 CA County Report

of Callsigns Active in a County

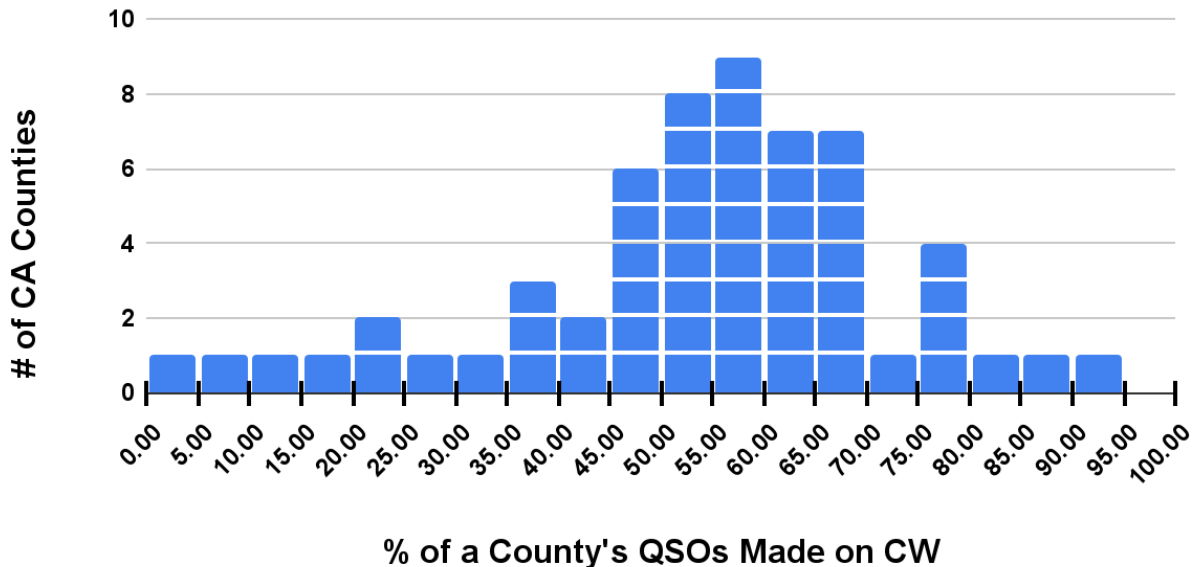

of Counties Active by Mode

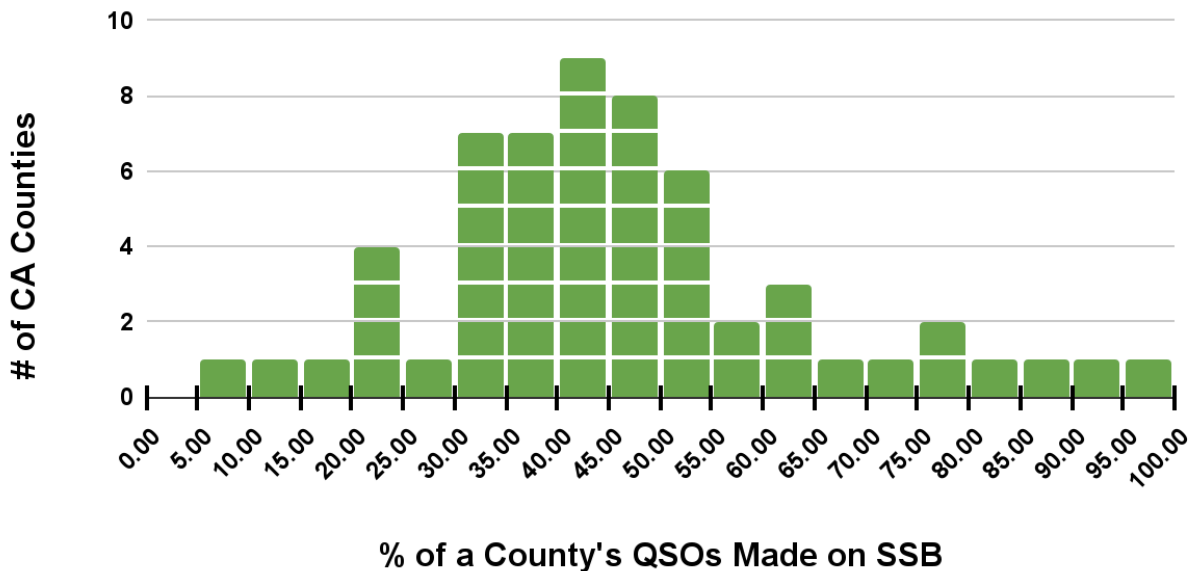

California QSO Party

**Histogram of QSOs Made in Each CA County by Mode:
% of a given county's QSOs that were made on CW**

**Histogram of QSOs Made in Each CA County by Mode:
% of a given county's QSOs that were made on SSB**

QSO percentages are calculated from the top 10 QSO producers in each CA county. Log submitters & non submitters are included.

California QSO Party

CQP 2024 Report by County

About the following report:

- Shows top 10 QSO makers in every CA county
- Stations who did **not** submit a log **are** also included in this report.
- Report is sorted by # of callsigns active in a given county (from one callsign active to >10 callsigns active).

Suggested actions for operators in CQP 2025:

1. Find the top 10 rarest counties from 2024 and activate one of them in 2025.
 - e.g. YUBA, MADE, COLU, SISK, LASS
2. Find a county that needs more help on a certain mode and activate that mode in 2025.
 - e.g. on CW: NAPA, AMAD, LASS, YUBA, MADE
3. Find a county that was safe in 2024 but which we already know will be at risk in 2025.
 - e.g. LAKE, KING, SIER
4. Find a county in which just one callsign carried 85+% of the QSO load and operate from that county in 2025.
 - e.g. MODO, IMPE, TRIN, NAPA, YOLO, SIER, LAKE, KING, MEND
5. Contact a fixed station owner shown in the report below and offer to be a guest operator in 2025.
6. Read CQP Chair notes for ideas in each county.
7. Just one station in any county can have a huge impact on the entire contest. Please be that station in CQP 2025!

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
MODO	47	1	57%	43%	-	-
		K6M	57%	43%	100%	Expedition

CQP Chair comments: Modoc County has been fully reliant on extremely motivated Oregon residents (K4XU and team) to activate it by expedition over the past many years. We shouldn't expect this to last forever. We need to think seriously about how to adequately cover this county if this outstanding Oregon group is unable to cover Modoc in the future.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
IMPE	36	2	53%	47%	-	-
		K6QK	53%	47%	>99%	Expedition
		N6RNN	0%	100%	<1%	Fixed

CQP Chair comments: Imperial County has been activated in CQP by expedition for as long as I can remember. For many years, the K6QK expedition team (N7CW, K6ZH and team) has been the primary force in the county. This team is much like the Modoc County expedition team: motivated, reliable, well-equipped and great testers who make a lot of QSOs. They are also similar in that we cannot expect this to last forever. Who will take the reins in the long term and become the next consistent expedition in this county? Also, fixed stations are an untapped resource in this county. A motivated tester should propose a partnership with KM6NUY and the Imperial Valley Amateur Radio Group club station. KA6ASF made some QSOs from his home station in CQP 2022. N6RNN made a couple of QSOs in 2024. Remote partnership opportunities?

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
TRIN	21	2	59%	41%	-	
		W6T	60%	40%	99%	Expedition
		KE6HEC	0%	100%	1%	Expedition

CQP Chair comments: Trinity County is the 5th least populated county in CA. Gorgeous surroundings with vast USFS and BLM land make this county prime for expeditions. The presence of a few Airbnbs also helps with expedition possibilities. Mobiles are unlikely to be successful due to mountainous terrain surrounding the main highways. Expeditions by N6DVS, KM6BDN and K6KS have been vital the last several years in Trinity County. We need to do everything we can to support them so that they continue to activate this county by expedition.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
DELN	21	3	39%	61%	-	
		W6HY (KD6WKY op)	51%	49%	77%	Fixed
		KG6LHW	0%	100%	19%	Expedition
		W6JLV	0%	100%	4%	Fixed

CQP Chair comments: W6HY is the callsign of the Del Norte Amateur Radio Club station. Activating this club station every year by a guest operator, and providing long term support to this club, is crucial to covering Del Norte County. Thanks to WA6ZDO for this opportunity. Participation from KG6LHW and W6JLV is a great help to prevent one station from having to carry 100% of the QSOs from DELN.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
KING	20	3	78%	22%	-

		K6AQL/M	100%	0%	8%	Mobile
		K6R/M	0%	100%	1%	Mobile

CQP Chair comments: N6WT has done a great job activating Kings County by expedition for the last three years in a row. In 2025, it will probably make sense for him to stay home at his FB fixed station in SLUI. The county lost SLUI stalwart W6TK who moved to Oregon. Consequently, Kings County needs someone to step up and mount an expedition in CQP 2025. Please strongly consider it! Also, we missed fixed station W0HJW on SSB in 2024. Can we figure out a way for his station to be active in 2025?

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
MARP	27	3	39%	61%	-	
		NZ6Q	44%	56%	56%	Expedition
		N6NZ	31%	69%	43%	Fixed
		W1LQD	0%	100%	1%	Fixed

CQP Chair comments: For the last four years in CQP, we have been lucky to have had two strong efforts activating Mariposa County: fixed station N6NZ and expedition station NZ6Q. Both always make a lot of QSOs and have made the county easy to contact. This is remarkable, given Mariposa County has the 6th smallest population in California (17,000 residents). We sincerely hope these efforts continue for years to come.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
COLU	3	4	24%	76%	-	-

		K6AQL/M	100%	0%	24%	Mobile
		K6R/M	0%	100%	17%	Mobile
		KO0X	0%	100%	1%	Fixed

CQP Chair comments: Colusa County is similar to Glenn County with respect to geography, area and low population. The geography in the eastern part of the county is conducive for mobile success. Mobiles in Colusa County made up 41% of the county's total QSOs in CQP 2024. This is the highest percentage made by mobiles of CA county. Meanwhile, the terrain in the western part of the county provides opportunities for expeditions on USFS land. Who will step up to organize an expedition to Colusa County in 2025?

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
SIER	40	4	64%	36%	-	-
		W6MY (N6DE op)	64%	36%	93%	Fixed
		N7AUE	100%	0%	4%	Expedition
		N6Z	0%	100%	2%	Expedition
		K6R/M	0%	100%	1%	Mobile

CQP Chair comments: Sierra County is the 2nd least populated county in California with just over 3,000 residents. W6MY has a loud fixed station in the county and is a generous station owner proven to be willing to host guest operators over the years. This station should be utilized every year on SSB and CW with the assistance of a guest operator. This station will be available in 2025, as N6DE has expedition plans in other counties. Sierra County also has excellent opportunities for expeditions on public land, including county line points. N7AUE and N7AAE operated as expeditions. We hope they continue to go on expeditions.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
MONO	38	5	82%	18%	-	-
		W6ML (W6KC op)	81%	19%	57%	Expedition
		W6SX	100%	0%	35%	Fixed
		KA9MDP	0%	100%	7%	Expedition
		KC6CHT	0%	100%	<1%	Fixed
		W6QF	0%	100%	<1%	Fixed

CQP Chair comments: With Mono County as the 4th least populated county in California, it is astonishing how well represented this county has been in CQP, seemingly forever. The reason is W6SX and W6KC. We can't expect this to last forever. It would be wise to bring on another long term Mono County participant. KA9MDP was a promising new expedition to the MONO/ALPI county line in 2024. We are glad to have had fixed stations KC6CHT and W6QF participate in 2024. In 2023, fixed stations KM6MEF and WA8SME participated, but not in 2024. How can we partner with one of these four fixed stations for remote activation or in-person guest operator?

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
PLUM	17	5	42%	58%	-	-
		W6CQP (KH2TJ op)	71%	29%	60%	Fixed
		KD6HOF	0%	100%	30%	Expedition
		K6CEL	0%	100%	7%	Expedition
		K6R/M (N3KA op)	0%	100%	2%	Mobile
		KO6BGB	0%	100%	1%	Expedition

CQP Chair comments: KH2TJ (aka: W6CQP) has saved the day for many years from his Plumas County fixed station. We rely heavily on his participation. If he ever needs to take the year off from CQP, strong participation from expeditions will be critical to making this county QRV. KD6HOF answered the call in 2024 with an impressive Phone low power expedition result. K6CEL's annual Phone QRP expedition went well in 2024, taking advantage of good band conditions.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
SISK	4	5	49%	51%	-	-
		WU6X	100%	0%	49%	Expedition
		KG6LHW	0%	100%	42%	Expedition
		N6BIS/M	0%	100%	8%	Mobile
		KR4HO	0%	100%	<1%	Fixed
		K6DBS	0%	100%	<1%	Fixed

CQP Chair comments: Over the years, Siskiyou County has needed dedicated portable operations for activation in CQP. Although SISK elevated to the 4th rarest county in CQP 2024, the portable efforts from WU6X, KG6LHW and N6BIS/M still enabled many county sweeps by making SISK equally as accessible on CW and SSB. How can we improve the #4 rarest county standing in 2025? How can we take advantage of the K6DBS fixed station in 2025?

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
GLEN	25	6	64%	36%	-	-
		N6YEU	62%	38%	72%	Expedition
		N6E (N9DK op)	75%	25%	25%	Expedition
		K6R/M	0%	100%	1%	Mobile
		KN6MGK	0%	100%	1%	Expedition
		K6AQL/M	100%	0%	<1%	Mobile
		KA6IOB	0%	100%	<1%	Fixed

CQP Chair comments: We have relied fully on portable operations to activate Glenn County. There are outstanding expedition opportunities on public lands in the western part of the county and decent mobile terrain through farmland in the eastern part of the county. In 2024, the N6YEU and N6E expeditions made 97% of the QSOs from the county. N6YEU has activated GLEN for the last 4 years in a row and might go to a different county in CQP 2025. Over the past 20 years, only one fixed station has ever activated Glenn County and submitted a log: WA6FWN in 2021. KA6IOB made one QSO from his home station in CQP 2024. How can we utilize these home stations for the long term in GLEN?

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
INYO	23	6	48%	52%	-	-
		K6UN	0%	100%	44%	Fixed
		W6PH	100%	0%	33%	Fixed
		NN7O	70%	30%	20%	Fixed
		K6FRJ	0%	100%	1%	Fixed
		KD6TLE	0%	100%	1%	Fixed
		N6NKS	0%	100%	1%	Mobile

CQP Chair comments: For many years, AD6NR and K6UN have been reliable stations for SSB QSOs from Inyo County. We missed AD6NR in 2024, but K6UN represented the county well with over 500 QSOs. In recent years, W6PH has been the only source of CW QSOs in CQP. In 2024, NN7O was a rare second callsign on CW from Inyo. Unfortunately that will not translate to 2025, as NN7O has moved to Oregon. What is our contingency plan if W6PH is not able to be active in CQP 2025? We need another presence on CW in Inyo for the long term.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
LAKE	26	6	91%	9%	-	-
		N6ZFO	99%	1%	91%	Fixed
		AJ6CE	0%	100%	4%	Fixed
		K6R/M	0%	100%	2%	Mobile
		KN6SRH	0%	100%	1%	Fixed
		KN6SRI	0%	100%	1%	Fixed
		KM6WNU	0%	100%	1%	Fixed

CQP Chair comments: N6ZFO has been a CQP hero by activating Lake County from his fixed station since 2008. That run is coming to an end in 2025 because he moved to Virginia. We therefore must get serious about how we're going to cover Lake County in his absence. AJ6CE, KM6WNU, KN6SRH and KN6SRI all reside in Lake County. Further, K6DF has land in Lake County. How can one or more of these stations work together or partner with other willing contest operators for QSO coverage similar to what N6ZFO has done for years? Also, we know of at least 3 great expedition locations on public land. Who will take the lead and go on an expedition to Lake County in 2025? Email N6DE for the specific expedition location suggestions.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
NAPA	9	6	0%	100%	-	-

		KI6PQO	0%	100%	3%	Fixed
		K6R/M	0%	100%	1%	Mobile
		WA7G	0%	100%	<1%	Fixed
		W6BYS	0%	100%	<1%	Fixed
		NY6C	0%	100%	<1%	Fixed

CQP Chair comments: Where would Napa County be without KE6ZSN? He has been the voice of Napa forever. We need to add a CW expedition in this county. Napa is the only county in CQP 2024 that did not have any CW coverage. To anyone looking for an expedition opportunity in Napa County, there appears to be a nice hilltop on BLM land in the far northern portion of the county. Email N6DE for details.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
SUTT	12	6	65%	35%	-	-
		K6EI	83%	17%	74%	Expedition
		W6PNH	0%	100%	11%	Fixed
		KK6VZD	0%	100%	10%	Fixed
		K6AQL/M	100%	0%	3%	Mobile
		K6R/M	0%	100%	1%	Mobile
		K6CSQ	0%	100%	1%	Fixed

CQP Chair comments: K6EI and W6ESL have been instrumental in Sutter County in recent years. What they have accomplished with modest antennas at a house rental on a city lot has been extremely impressive. It was great to see the W6PNH and KK6VZD fixed stations put in over 100 Phone QSOs each this year. These SSB fixed operations, and a CW mobile or POTA CW activation, are important in 2025 and beyond if K6EI and W6ESL ever want to try a different county to activate by expedition.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
ALPI	42	7	56%	44%	-	-
		N6A	67%	33%	45%	Expedition
		W6BX	82%	18%	25%	Expedition
		N6GEO	47%	53%	11%	Expedition
		N6OOA	0%	100%	10%	Expedition
		KA9MDP	0%	100%	5%	Expedition
		N6WYZ	0%	100%	3%	Expedition
		KF6QXX	0%	100%	1%	Expedition

CQP Chair comments: 2024 was a record for Alpine County. The 7 unique callsigns from Alpine were the most in CQP history. The 3,800 total QSOs made from Alpine was also the highest in CQP history. This is all the more impressive, given Alpine County is California's least populous county at just over 1,000 total residents. Major thanks to all the ALPI activators in 2024. 96% of the area in Alpine County is public land. The county's highly mountainous terrain allows excellent opportunities for expeditions but makes mobile operations difficult. Expeditions are required to keep this county active in CQP.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
LASS	5	7	13%	87%	-	-
		K6ME	0%	100%	39%	Fixed
		W6US	0%	100%	25%	Expedition
		N7AUE	100%	0%	12%	Expedition
		K7CPX	0%	100%	12%	Fixed
		N6Z	0%	100%	6%	Expedition
		KM6ZQM	0%	100%	5%	Fixed
		W7RGH	0%	100%	1%	Fixed

CQP Chair comments: The successful formula in Lassen County for years has been fixed station K6ME on SSB, combined with expeditions on public lands. We were pleased with expeditions by W6US, N7AUE and N7AAE, and fixed station participation by K7CPX and KM6ZQM. We hope all these Lassen participants return in CQP 2025. What we need in 2025 is one more CW expedition to participate for one day to boost the CW presence and improve the county's rareness ranking.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station
YUBA	1	7	19%	81%	-	-
		N9BD	12%	88%	77%	Fixed
		K6AQL/M	100%	0%	9%	Mobile
		N2AIE	0%	100%	4%	Fixed

		K6WWL	0%	100%	3%	Fixed
		KK6SNG	0%	100%	2%	Expedition
		KK6WIL	0%	100%	1%	Fixed

CQP Chair comments: We really missed CW participation by W6XB in CQP 2024. W6XB sold his Yuba County property in 2024. We now will need to find a participant to fill the void. CQP 2024 is the first time in recent memory that Yuba County has been the rarest county to contact in CQP. One suggested path to improving this standing in CQP 2025 is for all 7 of the above stations to operate again from Yuba, and for another expedition to operate on CW for the day.

California QSO Party

CA County	2024 Rareness Rank (1=rarest; 58=most common)	Callsigns Active in CQP 2024	% of QSOs Made on <u>CW</u> by Top 10 QSO Callsigns in County	% of QSOs Made on <u>SSB</u> by Top 10 QSO Callsigns in County	% of Total QSOs Made in County by Top 10 QSO Callsigns	Type of Station

		K6R/M	0%	100%	<1%	Mobile

CQP Chair comments: It is hard to imagine CQP in Calaveras County without WC6H. He has been the go-to station in this county, seemingly forever. The annual N6OOA expedition has been a reliable 2nd callsign on SSB from CALA since 2018. With N6OOA and others in CALA on SSB, the county is in good shape on SSB if WC6H cannot participate in a given year. A 2nd callsign on CW in CALA would be a welcome addition.

CQP Chair comments: The W6BX expedition team usually operates from Merced County, but did not in 2024. We were very fortunate that the NZ6Q and W6IA expedition teams covered Merced County, carrying over 90% of the QSOs made from MERC in CQP 2024. The W6IA team is likely to travel to a different county in CQP 2025. Will either the NZ6Q or W6BX expedition teams operate from MERC in 2025? Also, we missed fixed station KF6IDK in 2024 and hope for his return in 2025.

CQP Chair comments: We missed KH7Y, who moved to New Mexico in 2024. CW presence in AMAD was down dramatically in 2024 but was saved by K6BEW making nearly 100 CW QSOs. The AMAD SSB presence was still strong, thanks to the K6SZQ/NC6R station leading the way. AMAD would highly benefit by a part time CW expedition in 2025. Amador County is the 6th smallest county by area in CA.

CQP Chair comments: In the last few years, we've been very fortunate to have active fixed stations in Mendocino County, with WA6M@W6DSR doing the heavy lifting. We really need the WA6M effort to continue in CQP 2025. Additionally, MEND would benefit from an expedition on both modes and a CW operator to guest op at one of the eight SSB-only fixed stations listed above.

CQP Chair comments: KE8FT and W6AW have been carrying Yolo County in CQP for several years. Outstanding work by them, and we hope it continues, but we can't expect this to last forever. We are looking for a fixed station or expedition in Yolo which can serve as a second station to be a long term presence on both modes. A creative partnership between a fixed station and a CW contest operator would be beneficial.
