Congratulations to the winning clubs!

The following pages contain the scoring details for every participating CA club. Bonus points count for each station that made at least 10 claimed QSOs (before log checking). If you don't find your callsign or club listed, it means one of the following seven possibilities:

- You were a home station and did not operate within your club's 250-mile radius circle.
- You were not listed on your club's roster or ARRL eligibility list.
- You did not state your club when you submitted your CQP 2025 log.
- You were a checklog.
- You used a club abbreviation and we could not determine the club.
- You specified NCCC (Northern California Contest Club) as your club. As the sponsoring organization of CQP, NCCC is ineligible for club competition in CQP.
- You specified a club that is a national organization or a club without a geographic basis, and/or a regional club that does not hold regular in-person or remote meetings. Examples: CWops, Long Island CW Club, NAQCC.
